

MEDICAL ELECTIVE STUDENTS TIME GUIDE FOR OCCUPATIONAL HEALTH SERVICES

Applicants to New Zealand, Australia, Sth Africa—start applying and contact Occ Health for appointment.

USA applicants to download immunization form from USA institution and make appt with Occ Health to have these completed –
DO NOT LEAVE UNTIL SEPT—YOU WILL NOT GET THEM COMPLETED IN TIME TO APPLY (you will often require serology, vaccinations, TB clearance (CXR/ serology—it can take a week or more to get results, plus you may require an appt with the OH physician to have a physical examination sheet signed).
Get organised!

No Occ Health Elective Appts

This is Occ Health's very busy time with new students therefore no appointments will be available for elective medical students.

Singapore applicants to attend for serology tests (to be done within 6mths of departure)

Final Exams Elective

Electives to Tropical Countries & Rest of World: will require clearance from OH.

Please make your appointment ONLY when you know your exact plan of travel.

Travel vaccinations can be given and malarial prophylaxis if necessary.

If exact plans are not known at the appointment, OH will not be able to offer you a second appointment and you will need to see your GP for further advice.
